Aethercomm Buys Carlsbad Building

Aethercomm, a local technology company, purchased an industrial building in Carlsbad for \$7.3 million. The seller of the 46,400-square-foot building on the 3200 block of Lionshead Ave. was Opus West Commercial.

The sale was announced by Grubb & Ellis|BRE Commercial Feb. 27.

Dennis Visser and Aric Starck of Grubb & Ellis represented the seller. The buyer was represented by Ronald King of Coldwell Banker Commercial

The company's current design and manufacturing facilities are located in San Marcos. Aethercomm designs and manufactures high-power amplifiers for military, satellite communications and commercial wireless customers.
