Cassidy Turley Welcomes Colliers Barry to Its Brand

Cassidy Turley, one of the largest commercial real estate service providers in the U.S., has announced that Colliers Barry will become a part of Cassidy Turley as of April 15. As Colliers Barry transitions to Cassidy Turley, they will operate as Cassidy Turley Barry.

Colliers Barry is one of the most well-known and respected commercial real estate firms in Wisconsin. The company has been a recognized market leader in Milwaukee for nearly 90 years, specializing in industrial, office, retail, commercial and investment brokerage. Colliers Barry has sold and leased more than 1 billion square feet of real estate, including many of the largest industrial, office and commercial properties in Wisconsin and has sold tens of thousands of acres of land.

The addition of Colliers Barry to Cassidy Turley will combine strengths of both entities and will further expand the companies' geographic footprint.
