Grubb & Ellis|BRE Commercial reports that **Fine, Boggs & Perkins LLP** has leased 3,075-square-feet at **Civic View Corporate Centre**. Developed by **Newport National Corp.**, the 96,000 square foot office building is the first Class A office project built in San Marcos in more than five years. "Civic View Corporate Centre was the perfect choice for our new Southern California office headquarters," says **Cory King**, a partner at Fine, Boggs & Perkins.
