Hive Sushi Lounge Purchases Downtown Building

Hive Sushi Lounge, a tenant in the retail building at 1065 14th St. in Downtown's East Village, has purchased the 3,000-square-foot building for \$1.1 million. "The current market presents a great opportunity for tenants to become property owners as fewer investors compete to purchase commercial assets," said Danny Fitzgerald of Cassidy Turley BRE Commercial who, along with Michael Burton and Robb Frye, represented the seller, Peter Manning. Tomas Schoff of American Dream Homes represented Hive Sushi Lounge.
